Report of Police Department

During the year 1969, many new and different complaints were answered by our department. We regret that we had to go beyond our budget. Through matching funds, we were able to have a new radio system installed, as we knew our radio contacts with other departments would soon be changed. This now gives us two mobile radios for better coverage.

Our department was faced with many complaints of unpleasant nature. Due to the nature of these complaints, we found it necessary to purchase tear gas for each officer.

One new problem that has crept into our community is narcotics. This took much time and travel to investigate and we are happy to report that the problem is much smaller now. With the cooperation of parents and the citizens of Milan, our town will keep ahead of the problems of this fast moving world.

Our department answered 360 complaints and we had 15 court cases during the year 1969. We also assisted the State Police and other departments from neighboring towns.

We thank all of our citizens for backing us in our law enforcement efforts this past year.

OFFICERS

Gordon Rich
Harris Young

Norman Hancock
William Potter, Jr.

Respectfully submitted,

ARTHUR JODRIE, JR.
Police Chief

AREA SCHOOL

Your Area School Study Committee is very active. Much time is being spent by Mrs. Margaret Nichols, Mr. Ronald Hawkins and Mr. Wendell Sias. In all probability a Special School Meeting will be called in April for a decision. A public hearing in Milan will be held prior to voting and I would urge your attendance.
